Details

Are you a lightweight hiker that is sick of the heavy and flimsy pegs most tents come with? Treat yourself - and your back - to an 8 pack of ultralight Sea to Summit Ground Control Tent Pegs.

Made from strong-as-an-aircraft 7075-T6 alloy, these pegs will never bend and feature multiple guy points along their length in case you can only whack 'em in so far. A glow in the dark pull loop (charged by the sun!) makes it a breeze to pull 'em out when you pack up camp.

At a tiny 14g each, these tent stakes are for the lightweight trekker who hates the weight and bendiness of conventional pegs.

Suited for: lightweight hiking tents and shelters
Made from durable anodised aluminium
Features a luminescent pull loop
Multiple guy points for easy anchoring
Weighs 14g
Comes with an UltraSil® peg bag
