Details

Compact in the car, luxurious in the tent, the Black Wolf Mega Deluxe Self Inflating Mat is the most comfortable mat in Deluxe Mat range from Black Wolf. 10cm of thickness and more width than the Super Deluxe means you will be warm and comfortable in any climate, on any surface.

The self-inflating design means you can put your rolled mat in your tent, and the one-way valve will inflate the mat for you. For those who sleep comfortably on a firmer surface, attach the included storage sack to a valve and use it as a pump to add a little extra air.

Soft stretchy Microstretch poly/cotton upper fabric and a non-slip base laminates to antifungal CFC free foam, and Velcro strips run down each side enabling you to join two mats together. Complete with a repair kit, you can rest peacefully in the outdoors on a Black Wolf Mega Deluxe Mat.
