Details

You can't exactly bring your fancy silverware along on your next family camping trip, nor can you rely on those flimsy disposable knives and forks. Get yourself a set of cutlery that's easy to transport and made especially for outdoor use like the Coleman Rugged 12-piece Stainless Steel Utensil Set.

With enough spoons, knives and forks for a family or group of four, it's got all the basics you'll need to tuck into a hearty meal. The last thing you want is to have a rogue fork jangling around, scratching your car interior and poking holes into your tent. Luckily this set comes with a roll-up nylon case which will keep all your cutlery protected, and right where it's supposed to be.

Great for picnics, BBQ's, Caravans camping or even around the house, the Coleman Rugged Stainless Steel Utensil Set is a must-have in your camp kitchen kit.
