

## Zempire 2 Burner Deluxe Stove & Grill

**\$159.99**

### Details

Boil, fry, simmer and grill to your heart's content on your next venture into the wilderness with the 2 Burner Deluxe & Grill from Zempire.

This unit provides you with the control you need to take your sauce from a simmer to boiling point, and the twin burner heads give you space to boil water and fry an egg at the same time. The piezo ignition means that you don't have to fumble with a lighter or box of matches and the burner is raised off the ground, so the heat won't build up while you're cooking and burn the surface it's sitting on.

It's made from powder-coated steel to make it easy to clean and is rust-resistant. The rear and side windshield will stop any icy gust from weakening the flame, and it will keep any bugs or unwanted muck from crashing your dinner.

- Burners can be used at the same time
- Fold-down lid
- Individual controls for burners
- Stainless Steel Drip Tray
- Carry handle
- Piezo ignition
