

OZtrail
Tyre Gauge with Hose
\$27.90

Details

The Tyre Gauge with Hose from Oztrail will make accessing the hard to reach valves stems super easy and is especially useful for dual wheel vehicles.

The flexible hose enables access to tight spaces whilst still being able to view the gauge, it allows for a more ergonomic position when checking your tyre pressure.

This tyre gauge features an internal diaphragm mechanism and retains the tyre pressure reading after testing for easy assessment tyre pressure.

10 to 70 PSI range
Read out in PSI
Calibrated to an accuracy of +/- 0.7 PSI @ 35 PSI
Retains the pressure reading after release
Pressure release button
Internal diaphragm mechanism
