

OZtrail
4.75T Bow Shackle

~~\$25.99~~ **\$17.90**

Details

If you've got a large 4WD and a trailer or caravan, and you think you may be in a situation that may render your vehicle in a situation that required recovery, make sure you're armed with heavy duty 4.75T bow shackles for your recovery equipment connections.

Tested to the Australian AS 2741-2002 standard this bow shackle is drop forge constructed and features a distinctive yellow bar so you know it's a sufficiently tested piece of hardware for a vehicle recovery.

4750kg weight rating
Tested to AS 2741-2002
Drop forged steel construction
