Details

This Cedar Breaks 75L Travel Pack from Black Wolf will give you plenty of room for all your gear, without weighing you down on your travels. This pack is the ideal companion for travel, as it includes a detachable daypack which makes it easy to downsize your pack for sightseeing and exploring.

Hydration compatible with a handy shoulder strap and a Micro Gel harness for extra comfort and easy adjustment, this pack also has a 10-litre expansion pack for extra storage. The built-in raincover and waterproof zips that include locks will protect your gear when bad weather or luck strikes.

The 25-litre daypack is easy to remove and includes a side access padded laptop holder so you can check in with the office or edit photos on the go. The day pack has been updated to include an RFID protected pocket, which will prevent your important information located in the microchips of your passport and credit cards from being scanned and stolen by identity thieves.

If you need a travel pack that's easy to use and has every feature you could possibly need, you can rely on the newly updated Cedar Breaks pack from Black Wolf.
