

Black Diamond Tech Tip - Rubber

~~\$10.99~~ **\$10.90**

Details

Sometimes you need a bit of extra traction when you come across a stream, a rocky patch of terrain, or a smattering of snow - which is where the Rubber Tech Tips from Black Diamond come in. These tips are extremely durable and provide the perfect amount of grip for all your open-air adventures.

They're quiet, so you won't be clicking and clacking up the trail, and subsequently annoying your fellow hiking buddies. The Black Diamond Tech Tips are also non-marking, so you can use them confidently knowing they won't scar the trails you hike on.

Perfect for use on rock, dirt or paved trails - these tips will save the day when you're needing some extra grip on your next hiking expedition.

Quiet and non-marking
Compatible with all 2016 and later trekking and Z-poles
Not compatible with First Strike, Trail Back, and Syncline poles
Sold as a pair
