

Darche
Air-Volution™ AD 900 Swag

\$533.90

Details

The next gen of swags have arrived, they're from Darche's Air-Volution range, and they're going to change the way you sleep in the great outdoors.

The inflatable poles in the AD are made from puncture resistant TPU covered by durable PE pole sleeves for an extra level of protection. To set it up, you just hook it up to the high capacity hand pump, and in less than half a minute you'll be all set to snooze. Made from Darche's high quality proofed canvas that's seam sealed to prevent leaks, and featuring storm covers and a reinforced PVC floor - this swag will keep you dry and protected from the elements.

With a full zip down head and foot ventilation windows, you can get plenty of fresh air circulating - and stay cool inside your shelter. The 50mm cotton covered mattress will keep you in luxurious comfort, so all you'll need is a sleeping bag and pillow and you'll be ready to settle in. If you're looking to make your sleeping set up a complete no-brainer, then look no further than the Darche AD 900 Swag.

Single air pole inflates in less than 20 seconds
Puncture resistant air poles that require no assembly
Single inflation point
Two-way entry with storm covers
High capacity hand pump included
Canvas swag bag included
