

Popup
Silicone Mug 490ml

~~\$19.95~~ **\$16.90**

Details

If you're always looking for a way to save space on your next adventure, then the Popup range is the perfect solution to all your storage troubles.

Whether you're a camper, caravanner, or hiker - everyone can enjoy the functionality of the Pop Up Mug from Companion. This mug is made from flexible food grade silicone that allows it to be popped up in seconds, and also makes it easy to keep clean. This design also features a stainless steel frame and base so you can even use it over a low heat source to heat up your bevvie if it gets a little cold.

The durable and tough construction make it perfect for taking on the road or trail with you, and when you're finished, you can just compress it down and slip it into your pack due to the collapsible design.

Collapses flat
Lightweight
Easy to clean
Durable and break resistant
Can be used on a low heat source to heat up contents
