

Dometic
Waeco CFX 40W Fridge + Cover

\$975.90

Details

The Waeco CFX-40W 12v fridge/freezer is the most versatile and popular size with room for 60 soft drink cans and height to accommodate upright Riesling and soft drink bottles. Perfect for touring families and a great balance of size and volume for vehicle set-ups.

The most innovative portable fridge freezer on the market, the Waeco CFX is the culmination of years of research into the way in which we use and rely on portable refrigerators for camping, fishing, in cars and on trucks, making it one of the best portable fridge/freezers you can buy.

You can now control and monitor your CFX via their app using Wi-Fi Connection. This app allows you to control and monitor the temperature, and it will inform you when the lid is open for longer than 3 minutes. Now you can keep your food and bevies under control without having to pull over or get up from your comfy chair. The display is now also dimmable, which makes it easier to use in lowlight conditions.

Purpose built for Australian conditions with a genuine Waeco compressor, providing class-leading cooling performance from +10°C to -22°C in all weather conditions. A well thought out design that makes it easy to use, the Waeco CFX40 even comes with a USB charging port so you can charge your phone from the back of your car.
