

Engel
SB30G Drawer Fridge 30 Litre
\$799.00

Details

Install an SB30G from Engel into your vehicle or boat for portable compact cooling wherever your journey takes you.

This unit is solidly constructed and has a steel cabinet, stainless steel runners, and built-in ventilation with dual fans. You'll also be able to see all your drinks and snacks in low light conditions as there's an internal LED light in the SB30G. The SB30G features a compact Sawafuji Swing Motor, and the compressor unit can be placed up to 1.5m away which makes it easier to fit it in where you need it.

If you need a compact yet efficient fridge for shorter trips, or as a secondary fridge for your vehicle, then the Engel Draw Fridge SB30G will complete your set up.
