Details

Need a little support on your weekend bushwalks? Then you can rely on the City Sen Vario Walking Pole from Leki.

The shaft of this pole is made from Aluminium HTS which will provide you with the durability and stability you'll need for your activities. The handle is shaped to fit nicely in your hand, so you can lean on it comfortably when you're out and about. The Leki Speed Lock system makes it easy to adjust the length, and once you do - it will hold it sturdily in place.

The vulcanised rubber tip will also give you the right amount of grip you'll need for leisurely walks. If you like to have one hand free when you walk, then the City Sen Vario Walking pole is a reliable and high-quality choice for walking enthusiasts.
