

Zempire Aerobase 4 Shelter + Wall

\$599.99

Details

If you need some shade, but you're a little strapped for time and energy then the fully inflatable Zempire Aerobase 4 will make adding some shelter to your site a little simpler.

Whether you're setting up to relax at the campsite, for a backyard soiree, or barbeque in the park - the Aerobase 4 has a heavy duty SPF50+ UV canopy for shelter from the harsh summer climate. It has also is fully seam sealed to protect against leaks and has a waterhead rating of 2000mm. Pitching this shelter is easy thanks to its fully inflatable frame, so all you have to do is attach the included pump, put some air in and you'll be on your way.

There is a pressure gauge included, and a pressure release valve which makes it easy to inflate the poles without going too far. The vertical side walls optimise the sheltered space, and the large umbrella vents in this shelter will help prevent condensation build up.

If you like the sound of a lot of undercover shelters, that won't take forever to set up then the Zempire Aerobase 4 is a solid choice.

- Inflatable pole system
- Fully seam sealed
- Two-way door zippers
- Freestanding frame design
- Full head height
