

De-Ticker Tick Remover II with Clip

~~\$9.95~~ **\$8.90**

Details

Ticks are a dangerous parasite, don't try yanking them out as you'll only end up leaving parts of the tick in your skin, leading to infection. For the best, and easiest way to safely remove a tick, use the De-Ticker II.

This tool uses a gentle twisting motion, there's no need to force or pull, this device will remove the whole tick. It's safe to use on pets and people and eliminated and direct contact with the parasite.

Super-lightweight and compact, the De-Ticker is a valuable addition to any first aid kit and is used widely by veterinarians worldwide.

Used a gentle twisting motion
Removes the whole tick
Great for all outdoor activities
