Details

The Mini Groundhog Tent Stakes from MSR are the lighter and more compact version of their Groundhog Stakes for those travelling fast and light.

These stakes are made from 7075 series aluminium which is light and strong, and have a Y-beam design to easily penetrate the ground and hold firmly in the soil. Despite their smaller design, the mini versions offer the same reliability as their bigger counterparts.

At almost 40% lighter than the original Groundhog stakes, these mini versions weigh only 10g per stake and are bright red for extra visibility. Upgrade from your standard pegs without the extra weight with the Mini Groundhog Stakes from MSR.

Reliable Y-beam design
Penetrates and holds in firm soil
Light and strong 7075 series aluminium
Convenient pull loop for easy removal
Almost 40% lighter than the standard groundhog stakes
