Details

Explore more of this great country in roomy comfort with a Pioneer Discovery King Single Swag from OZtrail at your disposal.

Made from super tough 400gsm ripstop canvas for durability, with a heavyweight PVC vinyl base - the Pioneer discovery is ready for tough conditions. This freestanding swag provides the set-up of a swag, with the comfort of a tent. The three-pole dome construction and tapered end provide more room for your head and torso, while the centre ridge pole eliminates the need for pegs and guy ropes when the weather is good.

The full No-See-Um mesh opening allows for heaps of ventilation when the weather is warm, plus it will keep biting insects out. If the weather is a little cold or drizzly, you can close the opening and still ventilate by setting up the window awnings.

The interior features a 6cm high-density open-cell foam mattress for comfort, and has internal storage pockets to keep your phone, keys or headtorch handy. With all the features you'll need for an open-air adventure - the OZtrail Pioneer Discovery is a no-brainer if you're after a freestanding and spacious swag.
