

Beachkit Australia Masquerade 240cm Umbrella

From \$127.50

Available colours:

Citrus

Details

If kicking back at the beach with a big group of friends sounds like your idea of a great day, then the Masquerade Umbrella from Beachkit is just what you need to shade you from the hot Aussie sun.

The 240cm canopy is constructed from long-lasting, mildew resistant, and reverse silver coated oxford polyester. This fabric also has a rating of UPF50+ rating which is tested by ARPANSA to block out at least 98% of harmful UV rays. If you need to change the direction of shade, just adjust this umbrella using the three-position tilt feature.

The self-anchoring auger locks into the sand to help prevent your shade from blowing away, and the vented top also helps keep it sturdy. For sunny or even overcast days at the beach, get some proper shade going with a Masquerade Umbrella from Beachkit.
