

Suunto A-10 SH Compass

~~\$39.99~~ **\$32.90**

Details

Fast, easy to use and most importantly, reliable - the Suunto A-10 Compass is perfect for general or recreational use.

This compass features a high-grade steel needle with jewel bearing and is balanced for the southern hemisphere. With a fixed declination correction scale and a liquid filled capsule for stable operation, this compass also comes with a detachable snap lock lanyard that is easy to use when working with the map.

The quick and simple to use A-10 Compass Suunto will help you read a map when you're out in the elements.

High-grade steel needle with jewel bearing
