

Suunto  
Clipper L/B SH Compass  
**\$29.90**

## Details

Free up your hands when navigating on the trail, with the Clipper Compass from Finnish brand Suunto.

The Clipper is a liquid filled jewel bearing micro compass that is balanced for the Southern Hemisphere. You'll be able to see the direction on the rotating bezel in 10-degree increments and in low light conditions, the luminous markings make the cardinal directions easy to see.

Attach the Suunto Clipper Compass to your sleeve, side of map, watch strap, backpack for an easy way to navigate in the bush.

Liquid filled jewel bearing  
Balanced for Southern Hemisphere  
Luminous marking for use in dark conditions  
10-degree increment directions  
Clips onto gear for hands-free use
