Details

Keep your gear schmick and ready for anything by restoring the factory waterproofing with some help from the Silicone Water-Guard waterproof spray from Atsko. This waterproofing spray can be used to restore waterproof properties on tents, as a waterproof spray for canvas as well as giving water repellency and stain resistance to just about any suede, leather, cotton or synthetic clothing or gear. This treatment is heavy duty so you only need one coat, and won't leave behind a nasty smell when dry. Prep your gear for the elements, by treating it with the Silicone Water-Guard waterproof spray from Atsko.

Restores factory waterproofing Repels water and stains Suitable for waterproofing suede, leather, cotton, canvas, nylon and other synthetic fabrics Heavy-duty treatment, only one treatment needed Scent-free when dried and cured
