

## Gear Aid Field Repair Kit

**\$14.90**

### Details

When you're out on your adventures, sometimes Mother Nature or circumstance can get the best of your gear. Instead of letting your trip go haywire, bring a Field Repair Kit from Gear Aid, so you can keep calm and carry on.

This repair kit enables you to make lasting repairs to gear such as sleeping mats, rainwear, boots, tents, backpacks, camping gear and more. This kit contains a tube of seam grip and repair adhesive, two repair patches, a brush and repair guide and is compact enough to fit in your rucksack or toolkit.

Rocks, sticks and other debris can sometimes unexpectedly damage your gear, so prepare for any mishaps with the Field Repair Kit from Gear Aid.

Compact and light  
Ideal for air mat, sleeping pad and other outdoor gear repairs  
Effective on fabrics (non-silicone treated) leather and other materials  
Includes: one tube of seam grip seam sealer and repair adhesive, one fabric and one clear patch, application brush and expert field repair guide
