Details

Your ultimate outdoor lighting set up is at your fingertips, with the 4 Bar LED Kit from OZtrail.

This kit comes with four robust LED bars, plus a 12V plug, leads and fasteners which can be used with the other LED products from OZtrail for the perfect set up. Each bar produces 480 lumens each with a total of 120 ultra-white LED bulbs with a working power draw of 0.4 amps per bar.

You can stress less about your battery as this kit has a low power draw, and the connections have a weather-resistant IP66 rating. If you want to extend your lighting, you can branch up to 5m of lighting, plus there are cable ties, mounting clips and Velcro loop straps for attachment. Use the 4 Bar LED Kit from OZtrail kit to create the perfect set up to illuminate your caravan awning, tent or gazebo.
