Details

A manageable size with plenty of volume, the Cool Ice CI-70 Icebox from Dometic will dependably keep your food and drinks fresh on your weekend exploits.

This design is seamless and made from strong food-grade polyethylene, with improved food grade insulation and a labyrinth seal that all work together to keep your ice colder for longer. Cleaning this model is simple as it has a large ergonomic drain plug, and it features integrated hinges with stainless steel rods and stainless steel fixing screws for durability.

It's easy to secure and carry this icebox as it has one-piece rubber latches, easy to grip handles, and tie-down points under the handles for transit. If you want to personalise your icebox, you can add separately available accessories inside the icebox, on the handle or on the lid to make it even more functional.

The Cool Ice Icebox CI-70 will provide plenty of space for chilling your supplies when you next hit the road.
