

Korr Lighting Orange/White LED Awning Light Kit

~~\$149.00~~ **\$119.00**

Details

The Orange-White LED Awning kit from Korr Lighting allows you to brighten up your 4WD and keep bugs at a distance in one package.

Orange light reduces the presence of bugs by up to 90% and the white light is super bright for visibility at night. This LED strip has an IP68 rating, so they're completely waterproof and produce almost no heat. This kit uses heavy duty double sided 3M tape which makes it easy to attach to any 4WD fixed awning, and its impact and vibration resistant for durability.

You're able to cut the strip every 5cm, so you can tailor the size to suit your set up. And the colour change and dimmer switch has powerful magnets so that it will stick to any metal surface, so you don't have to worry about misplacing it. Keep the bugs at bay and brighten up your 4WD with the Orange-White LED Awning kit from Korr Lighting.
