Details

Skip the wearing-in phase and head straight for the trail with the comfortable, and robust Moab 2 LTR GTX Shoes from Merrell.

These shoes have a Gore-tex membrane that provides high-performance waterproof protection while allowing your feet to breathe. The Moab 2 Shoe features a rubber toe cap to protect from trail obstructions, and a breathable mesh lining to keep your feet feeling fresh. Your arch and heels will be supported thanks to the Eva footbed and the air cushion in the heel adds stability and absorbs impact.

As an extra measure, the bellows tongue will keep any debris or moisture from getting in your shoes. Traction is provided by the durable Vibram sole, as it has 5mm deep lugs to grip whatever surface you're hiking on. With reliable, comfortable, and supportive features, it's no wonder the Merrell Moab's stand for Mother-Of-All-Boots.

- Goretex waterproof membrane
- Suede leather and mesh upper
- Bellows, closed cell foam tongue keeps moisture and debris out
- Protective rubber toe cap and breathable mesh lining
- EVA footbed with arch and heel support
- Nylon arch shank
- Air cushion in heel
