

Engel  
**Converter Power Inverter with USB**

~~\$69.95~~ **\$54.90**

**Details**

A can-sized power inverter that is designed to fit in the drink holder of your vehicle, complete with USB output.

The Engel Converter is powered by your vehicles 12V battery via a cigarette plug outlet and can inturn power devices with a standard 3 pin 240V AC wall outlet and a rating up to 100W, perfect for running laptops, small TV's, fan's and shavers as well as for charging the batteries of your camera, phone or MP3 player.

Simply plug the Converter into the 12V DV cigarette outlet of your vehicle and you're good to go, and with a low battery shutdown feature, you won't have to worry about it flattening your car battery

Fits standard vehicle can holder  
 100W max.  
 Overload warning  
 Thermal shutdown protection activates after heavy use  
 Features low battery shutdown at 10V
