Details

A balmy day means perfect conditions for heading off to the beach, just make sure you keep a shelter like the Shadee Fun Moana Beach Shade for relaxing on your towel with a good read.

This green and white striped traditional design provides a nice contrast on the beach, and as the sun moves you can set up your shelter from an A to an L shape. If you're always stressing about losing your keys or phone in the sand, the huge inner zip pocket on the fabric will keep your essentials off the ground. This shade also comes with pegs, guy ropes, and a plastic mallet included for pitching.

When the fun is over and you're ready to head home, just pack up your shade into it's included (and stylish) carry/beach bag that has pockets for organising your essentials. An afternoon by the water won't be complete without some shelter to lay under, so don't forget a Shadee Fun Moana Beach Shade for your next expedition.
