

Roman
Portable 160W Solar Mat Kit

~~\$1,579.00~~ **\$1,199.90**

Details

If you're heading away on a trip, then you're going to need various gear to help you be self-sufficient in the outdoors. You'll be able to power your devices when you're on the road with the 160-Watt Solar Mat Kit from Roman.

This kit is built tough, so it'll stand up to use in the harsh Australian conditions, plus it's also compact for travel. You'll also be able to use this Solar Mat Kit to power your hand-held devices, portable 12V lighting, bilge pumps, TVs and DVD players. You'll also be able to connect a 240V AC inverter to your battery which will enable you to power a select range of 240V AC appliances.

This unit has twelve 13.6W panels which feature Sun Power monocrystalline C60 cells. It also includes a 15-amp inline solar controller which charges 6 types of batteries. The large LCD screen shows you the battery voltage and charging current, the LEDs indicate the condition of the battery, and the rare earth magnets on the back of the controller body provide multiple mounting points.

On your next camping, 4WD'ing, caravanning, or boating expedition, the 160-Watt Solar Mat Kit from Roman will help you power your gear.

- LCD screen displays battery voltage, charging current, charging capacity
- Coloured LEDs indicate the operational status and battery condition
- Heavy-duty 50A Anderson style input and output plugs/sockets
- Weatherproof and rugged design
- Multiple mounting options
- 12V DC 5 stage smart charger
- 48 x 22.5% highly efficient Sun Power monocrystalline C60 cells
- 10M extension lead - twin core with UV stable outer sheath
- Fused 0.8M extension lead with battery clamps
- 15amp inline solar controller charges: GEL, AGM, Lead-Acid (WET), Calcium, Lithium Iron Phosphate (LiFePO4) and Lithium Titanium Oxide (LTO)

Specifications

Snowys Code:	140753
Supplier Code:	PRI20056
External Dimensions:	182L x 61W cm
Packed Dimensions:	31L x 31W x 6H cm
Material:	Sunpower™ Maxeon™ Monocrystalline C60 Solar Cells 900D Outer
Output Power:	163.2W Max. 9.27A 17.6V @ Max. Power
Weight:	6.5 Kg Including Accessories
Suggested Use:	Camping
Warranty:	1 Year
