

Supa Peg Double Rope & Marquee Trace Spring

~~\$13.95~~ **\$9.90**

Details

Marquee trace springs accommodate large tent pegs and stakes including large sand pegs. This double guy rope features a marquee trace at the end of two 3.5 metre lengths of rope with a loop for attachment over a tent spigot in the centre.

The rope is 6mm polyethylene and all the fittings are zinc coated for corrosion protection whilst the Supa Peg Rope Runner offers set and forget stability.

With the trace allowing for stretch in the fabric, and the rope runner offering grip that doesn't need adjusting, these guy ropes, when combined with good ground anchors, make a rock-solid anchor system for big shelters.

Marquee trace springs accommodate large pegs and stakes
2 x 3.5m lengths with a central loop
6mm UV treated rope
Set & forget Rope Runner
Made in Australia
