Available sizes:

US 7

Details

When you need to zoom over the trails without being held back, then the Ellipse 2 Mid LTR GTX from Salomon are ideal.

The outer features waterproof split suede leather for robustness and water-resistant textile which is going to stand up to you putting them through their paces. These boots also have a heel cap that adds stability and protection, and a synthetic toe cap that protects your feet from getting knocked about on the trail. The inner features an injected EVA midsole for cushioning, with a Gore-tex membrane which allows your feet to breathe, while keeping out water.

Grip-wise, the high traction Contragrip sole is optimized for running and hiking so you can go hard with confidence. For the hiker or bushwalker who needs a waterproof and durable boot for your weekend exploits, you can rely on the Ellipse 2 Mid LTR GTX Boot from Salomon.

- Ideal for: hiking and bushwalking
- Protective heel cap
- Synthetic toe cap
- Injected EVA midsole
- Optimised fit for women
- Waterproof split suede leather and water-resistant textile
- Gore-tex extended comfort membrane for breathable waterproof protection
