**From \$110.00**

### Available colours:

Shady Blue Nasturtium Orange

### Available sizes:

US 6.5 | US 10

### Details

For cushiony comfort and breathability on the trail, the stylish and lightweight Ultra Cardiac II shoes from The North Face are the shoes that deliver.

The upper is made from jacquard mesh with TPU cable housing for extra structure and support. Comfort is provided by the OrthoLite footbed and your feet will be cushioned thanks to the compression moulded EVA midsole. These runners also have a gusseted tongue to prevent debris kicking up into your shoe, a TPU toe cap for added protection, and a flash dry collar lining to keep your feet dry and cool.

And with a durable, high-quality Vibram sole - you'll have plenty of sticky traction for different kinds of conditions with a pair of the Ultra Cardiac II's from The North Face.

Breathable jacquard mesh upper  
Quarter geo cable construction for improved fit  
TPU cable housing for extra support and structure  
Gusseted tongue to prevent debris getting into the shoe  
Moulded TPU toe cap for protection  
Flash dry collar lining to keep feet cool and dry  
OrthoLite footbed for long-lasting comfort  
Single density compression moulded EVA midsole  
Vibram sole provides sticky traction in all conditions.  
Ideal for: trail running
