

Roman
PWRGRID 45W Solar Mat Kit

~~\$469.00~~ **\$379.90**

Details

Make the most of what's available to you when you need to charge your devices on your adventures, with the PWRGRID Solar Charger Kit 45W from Roman.

Featuring SunPower 3.4W cells with ETFE cell lamination, this solar kit is designed to stand up to the tough Aussies conditions. It's also got a smart charge controller with auto restart technology when the sun is interrupted when charging. Use this kit for adding extra juice to 5V DC devices such as a smartphone or camera or to charge a 12V DC Battery.

The versatile PWRGRID Solar Charger Kit 45W from Roman can charge your 12V battery, and your mobile tech devices reliably when you're away from the grid.

Charge 5V DC devices and 12V DC batteries
 Reliable high-quality components
 Sunpower 3.4W cells
 ETFE cell lamination for maximum protection
 Smart charge controller with auto restart technology
 Kit includes: USB cable, carabiner clamps, suction cups, neoprene storage pouch, instruction manual, 8A solar controller, 800mm extension lead including battery clamps, 3m extensions lead including 30A plugs
