Details

Catch some decent shut-eye while sitting upright on the plane with some help from the Aeros Premium Traveller Pillow from Sea to Summit.

This pillow features a strong TPU bladder, which narrows at the centre for a good fit between your neck and the headrest, and has bulbous side arms for ergonomic support. The case is made from a brushed 50D polyester so it'll feel super comfy against your skin and can be inflated or deflated quick smart, thanks to the multi-function low profile valve. For better neck support, just snap together the adjustable neck closure so you can nod off without any dramas.

Weighing only 93g and packing away compactly into its own stuff sack for easy storage - you can't go past the Aeros Premium Traveller Pillow from Sea to Summit for comfort while you snooze in transit.
