Details

Whether you're stuck waiting for your flight and your phone battery is on its last legs, or your rechargeable lantern needs some extra juice when you're mid-adventure - the Charge 20 from Biolite is here to save the day. This charger has an ultrathin stainless-steel housing which feels nice and solid and has a silicone gasket with an IPX6 rating so you don't have to stress if it gets splashed in the rain. The Charge 20 has a 5200 mAh power supply which means it can charge 2 phones fully, an action camera 2-3 times, and can give a tablet a 50% boost. To power it up, just plug into any USB port which includes Biolite products such as the separately available BaseCamp or CampStove. The Charge 20 from Biolite is a simple, durable and portable power source when you're away from the grid. 5200 mAh power supply Charge 2 phones fully, an action camera 2-3 times, and give a tablet a 50% boost. Ultrathin, durable stainless steel design IPX6 rating (heavy splashes and rain) Works with any USB port including the Biolite CampStove or BaseCamp Micro USB cable included
