

Coleman  
300M Battery Guard  
Flashlight

~~\$34.99~~ **\$29.90**

### Details

Keep the Battery Guard Flashlight 300M LED from Coleman in your shed or camping kit for a reliable light source when you need it most. When you turn off this torch, the batteries completely disengage which means the batteries last for 25% longer and it retains its brightness for twice as long. The LEDs in this torch never need replacing and provide maximum lumens of 350 on high and 10 on low - so this unit is perfect for general camping use. The exterior is made from strong yet lightweight aluminium, with a comfort grip design which provides a secure and comfortable grip. Whether you keep it your kit for camping trips, or around the house in case of a blackout - the Battery Guard Flashlight 300M LED from Coleman is a solid choice. Batteries become completely disengaged when turned off. Retains brightness twice as long and the batteries last 25% longer. Comfort grip design minimises the chances of dropping your light. Lightweight aluminium construction. Rubber-edged bezel is impact resistant up to 2 meters. IPX4 rated.
