### Details

Sip on a refreshingly cool beverage, while keeping dirt and grime from getting onto the nozzle while you ride with the Podium Chill Dirt Bottle from Camelbak. This bottle has an updated shape that will fit most bottle cages, and a double wall construction with insulation, which will keep your water cold for twice as long. It's also made from BPA, BPS, BPF free polypropylene that won't impart a taste in your beverage. The self-sealing jet valve prevents spills, a positive lockout ensures it stays leak-free on the go, and the clever mud cap keeps dirt off the nozzle as you tear up the trail.

All of the parts can be separated, so you can clean it thoroughly without any dramas. Enjoy a cold refreshment and a clean nozzle while you ride with the Podium Chill Dirt from Camelbak.
