Details

Upgrade your everyday pocket knife to the compact, low profile and secure Kettlebell Folding Knife from Gerber.

The low-profile design ensures that the Kettlebell takes up less space in your pocket while being less conspicuous when you use it. This knife features a rugged 7Cr17MoV fine edge, satin finish blade, a textured coined aluminium handle for grip, a frame lock for safety, and dual thumb studs for controlled deployment. The Kettlebell also has a pocket clip and lanyard hole to make it easy to attach and carry around.

For every day carry, you can't go wrong with the secure Kettlebell Folding Knife from Gerber.
