Details

If you need a lighting set up that packs enough punch to illuminate a large campsite, or family camper trailer then check out the 6 Bar Orange/White LED Camp Light Kit with Diffusers from Korr Lighting. This kit contains four 48cm orange/white light bars, and two 25cm orange/white light bars which produce an output of 3000 lumens on white and 1750 lumens on orange. These lights consume a low amount of power, have minimal heat output, and are IP68 rated making them completely watertight. The bars have a removable diffuser for a wider and more pleasant light beam, the new extrusion profile makes them stronger, and the removable end caps hide the wiring for flush mounting. This kit is also to set up as there are inbuilt magnets for metal surfaces and removable pole clips for easy attachment. Brighten up your family sized camper trailer or larger campsite with the 4 Bar Orange/White LED Camp Light Kit with Diffusers from Korr Lighting. 3000 lumens on white and 1750 lumens on orange. Removable end caps hide wiring for flush mount applications. Inbuilt magnets for attachment to most metal surfaces. Reinforced grommets to prevent wire breakage. IP68 rated and completely watertight. Waterproof locking DC connectors on all cables. Heavy duty insulated cables to prevent voltage drop. Pack contents: 4 x 48cm orange/white light bars, 2 x 25cm orange/white light bars, 2 x orange/white dimmer switches, 12 x removable light bar pole clips, 2 x dimmer pole clips, 1 x 5m lead with cigarette/merit plug, 2 x 2.5m extension cable, 1 x 5m orange/white extension cable, 3m orange/white extension cable, 1 x two-way splitter cable, 1 two-way orange/white splitter cable.
