

Bushranger 4x4 Gear Safety Flag

~~\$126.50~~ **\$113.00**

Details

Ensure you comply with the requirements for safe desert driving with the 4x4 Safety Sand Flag from Bushranger. The flag is fluoro orange with reflective cross tape for visibility and can be mounted up to 3m to ensure it's seen. This kit is designed to handle the rugged environment of the desert as it has a solid 3-piece fibreglass pole, heavy duty quick connectors, stainless steel threaded joints, and chrome plated mounting hardware. Installation is easy, and it can be removed and packed up into the included bag until it's time to hit the tracks again. The 4x4 Safety Sand Flag from Bushranger is designed to meet the safety requirements for use in the Simpson and Flinders desert in South Australia - so it's a must for your next outback expedition. Highly visible fluoro orange flag with reflective cross tape Can be mounted at multiple heights up to 3m Heavy-duty quick connectors, solid 3 piece fibreglass pole, stainless steel threaded joints, chrome plated mounting hardware Meets South Australian safety flag requirements for use in the Flinders and Simpson deserts Easy to install and remove Bag included for storage
