### Details

Whether you're going for a mid-week run, or setting up your campsite - the Black Diamond Spot325 is a precise and reliable headlamp for all kinds of activities. The design is now more compact with a lower profile for comfort and better overall balance. It boasts 325 lumens of adjustable light thanks to the improved optical lens design, which also saves battery life and is trackable with the 6 setting, 3 LED battery meter. The Spot325 has an IPX8 rating, so it will operate underwater down to 1m for 30 minutes and the brightness memory feature allows you to turn it on and off at your chosen setting without returning to full power. It has dimming, strobe, full strength proximity and distance modes, red night vision, and lock mode so you can get the perfect lighting solution for your needs. This headlamp also provides peripheral lighting for up close activities such as reading or cooking. Bright, functional, and efficient - the Black Diamond Spot325 is an all-rounder choice for different applications. 325 lumens More compact and efficient design IPX8 - operates underwater up to 1m for 30 minutes Updated user interface Brightness memory - turn light on/off at a chosen brightness without reverting back to full power 6 setting 3 LED battery meter Settings: full strength proximity and distance modes, dimming, strobe, red night vision and lock mode
