### Details

If you're looking for a headlamp with a minimal design for quick trips or emergency use, the SpotLite160 from Black Diamond fits the bill.

The SpotLite160 is the smallest, lightest and most compact style in Black Diamond's range. It produces 160 lumens of light on its maximum setting and has dimming, strobe, red night vision, lock and full strength in proximity modes. The housing has an IPX8 waterproof rating, so it'll operate for 1.1m underwater for up to 30 minutes, and it has user-friendly settings that make it easy to switch between the different modes.

Stash away the compact yet reliable SpotLite160 from Black Diamond for whenever you need quick illumination.
