Details

A simple and lightweight travel companion, the Sea to Summit Traveller Tr1 Sleeping Bag provides a versatile and lightweight sleep solution for adventures abroad. Featuring a slightly tapered shape, you can cinch in the shoulder and foot drawcords to trap warmth, or unzip it to throw it over as a quilt when the weather calls for it. This bag has an ultra-lightweight 15D nylon shell with a sewn through quilted construction to minimise weight and keep the packed size tiny, and it's filled with Sea to Summit's RDS certified Ultra-Dry Down which is easily compressible and provides warmth. On your other adventures, the Traveller Tr1 can be used as a top quilt which will add more warmth to your sleeping set up and you can also zip two bags together to create a lightweight sack for two. The Traveller Tr1 sleeping bag is as useful travelling as it is on lightweight treks, summer camping, cycle touring or as a liner to increase the warmth of your existing bag. 14°C comfort rating, 10°C lower limit 750+ Loft Ultra-Dry Down provides superior insulation. Ultra-lightweight 15D Nylon shell minimizes weight and bulk. Full-length side zipper. Shoulder and foot drawcords. Sewn-through quilted construction to keep weight down. Can be opened up to use as a quilt. Includes compression sack and storage cell. Can be paired with another Traveller sleeping bag.
