### Details

An ultralight towel, dishcloth, or bandana - the Airlite Towel from Sea to Summit is the compact and multi-tasking option when space and weight is a premium. This towel is made from microfibre yarn which makes it lightweight and able to absorb over three times its weight in water. It's the fastest drying towel in the Sea to Summit range and comes with a 15D stuff sack connected with a press stud for storage. To make it easy to fit into your waistbelt, pack, gym bag or travel tote this towel is laser cut to shave off extra bulk. When you're travelling minimally, the Airlite Towel from Sea to Summit is the lightweight and packable towel for all kinds of activities. Airlite fabric microfibre yarn Absorbs over three times its weight in water Fastest drying towel in the Sea to Summit range After use, tie it to your pack for easy drying Laser cut for a smaller packed size 15D nylon stuff sack connected with a press stud Doubles as an ultralight dishcloth or bandana
