Details

Create an extra snug environment for your noggin when you're sleeping in cold conditions, with the Aeros Down Pillow Deluxe from Sea to Summit. This large pillow has a strong TPU air bladder with an ultralight 10D fabric cushion top over it filled with down, while rest is made from lightweight 20D fabric. It's got horizontal baffles to prevent compression and down migration and cradle your head for additional support. Using this pillow is a breeze, as there's a multi-function mini-valve which makes it easy to inflate, fine tune, and deflate. When you're ready to pack up and head home, just pack it up into the 20D stuff sack for easy storage. Warm, comfy and light - the Aeros Down Pillow Deluxe from Sea to Summit is the premium option to add to your sleeping set up. High strength Anti-hydrolysis TPU Air Bladder Cushion top made from ultralight 10D fabric, while the rest is made from 20D fabric. Horizontal baffles reduce down migration and compression. Baffles cradle the head for support. Multi-function mini-valve for easy inflation, deflation and fine-tuning. Comes with a 20D stuff sack for storage.
