

Black Diamond Trail Pro Trekking Poles

\$210.90

Details

Balanced, durable and suitable for both day trips and multi-day expeditions, the Trail Pro Trekking Poles from Black Diamond provides support as you power through your hike. The durable aluminium shaft has an updated FlickLock adjustability which is lighter and easier to use, and the SmashLock quick release mechanism makes deploying and locking these poles a breeze. Your hands will be more comfortable thanks to the updated soft foam ergonomic grip, and the solution strap provides added security and better handling on steep inclines. These poles have interchangeable carbide tech tips which will grip a range of surfaces that you might encounter in the field and a ski compatible ferrule for trekking through snow. Lean on the Trail Pro Trekking Poles from Black Diamond when you need extra assistance to tackle those uphill walks. Redesigned FlickLock Pro adjustability Durable aluminium shaft SmashLock quick release technology for quick deployment Updated softer ergonomic grip with solution strap for security Interchangeable carbide tech tips 38mm trekking basket Ski compatible ferrule accepts 100mm powder baskets for deep snow
