

TRED 1100mm Mounting Kit

~~\$39.95~~ **\$34.90**

Details

Secure your existing TRED 1100 or TRED Pro recovery boards to your vehicle with the TRED 1100 Mounting Bracket. This design is made from solid blocks of high-quality material, with corrosion resistant stainless steel, aluminium and brass for durability. There are anti-vibration pads to reduce noise and movement and they come with lockable anti-theft pins which just need a separately available padlock to be secured. The TRED 1100 Mounting Bracket also has a versatile base which allows for almost any form of installation including straps, bolts, screws, or zip ties. Anti-vibration pads Lockable anti-theft pins - just attach a separate key or padlock Corrosion resistant high-quality stainless steel, aluminium and brass Includes: 2 x stainless steel pins, 2 x aluminium knurled handles, 1 x aluminium fastening plate with fixtures, 2 rubber anti-vibration pads Versatile base allows for almost installation - straps, bolts, screws or zip ties Single unit mounting bracket included
