Details

The Alpine FLZ Trekking Poles from Black Diamond are the durable, collapsible and 4 season suitable poles that will help you go the distance. The three-section foldable has speed cone deployment, FlickLock Pro adjustability and is made from durable aluminium. They now have improved joint support and stiffness, and upgraded SlideLock technology which makes them easier lock and collapse. The grip is made from natural cork with a dual-density top, with a non-slip EVA foam grip extension and a breathable moisture-wicking strap for extra stability. Just swap the baskets, and the versatile Alpine FLZ Trekking Poles from Black Diamond are ready to transition from summer hiking to winter treks. Suitable for four season use SlideLock adjustable technology for easier locking and collapsing Increased joint support and stiffness Durable aluminium three-section foldable design Natural cork grip with dual density top Breathable moisture-wicking strap Non-slip EVA foam grip extension Flex tips allow either carbide or rubber tips to be used
