

Knog
**PWR Trekker 900 Lumen
 Modular Flashlight**

\$160.99

Details

Brighten up the dark path ahead of you or charge up your phone mid-adventure with the modular PWR Trekker Flashlight from Knog. This clever design is a torch and power bank in one, so it's comprised of a 900 lumen light head with a circular cut off beam, and a 5000 mAh PWR Bank which can also be used to charge other devices. This flashlight has 6 modes available - so max, mid, stamina, pulse, strobe and SOS for different applications, and can also be tailored using the ModeMaker app to suit your individual needs. Water-resistant when in use, with an easy twist head operation, you can also see how much power you have left thanks to the battery indicator. Get more out of your gear, with the modular and interchangeable PWR Trekker Flashlight from Knog. 900 lumen light head with an LED flood beam 5000 mAh PWR Bank to charge your devices. Modular and can be interchanged with separately available PWR products. Knog Water-resistant when in use. Programmable modes using the ModeMaker app. USB rechargeable. Twist operation. Battery indicator. Includes: PWR Bank 5000 mAh and cap, Flashlight head 900, micro USB cable, male-female USB cable, lanyard.
