

Knog
PWR Explorer 2000 Lumen
Modular Flashlight

\$220.49

Details

If you like your gear to be clever and multi-functional then the PWR Explorer Modular Flashlight - which is a torch and power bank in one, will be right up your street. The Explorer is comprised of a super bright 2000 lumen light head with an LED flood beam and a 10,000 mAh PWR Bank which can also be used to charge other devices. This flashlight has 6 modes available - so max, mid, stamina, pulse, strobe and SOS for different applications, and can also be tailored using the ModeMaker app to suit your individual adventures. Water-resistant when in use, and easy to operate at the twist of the head, you can also see how much juice you have left thanks to the battery indicator. When you're out in the field, get more out of your torch with the modular and interchangeable PWR Explorer Flashlight from Knog. 2000 lumen light head with a LED flood beam 10,000 mAh PWR Bank to charge your devices Modular and can be interchanged with separately available PWR products Knog Water-resistant when in use Programmable modes using the ModeMaker app USB rechargeable Twist operation Battery indicator included: PWR Bank 10,000 mAh, flashlight head 2000, micro USB cable, male-female USB cable and lanyard
